Members All

April begins the new lodge year and with it let us all look forward to another successful year. In my acceptance speech I related that our Lodge is more than a building located on the corner of 4th Street and I-75. True it is a building, but more than that, a building set on a foundation of over 350 plus members. Without that foundation, there would not be a Lodge. A strong base of members ensures that the

good works we strive to perform starts with a sturdy footing firmly planted on solid ground. I promise you that I will represent our Lodge, and you as a member, to the best of my ability and continue to build on the solid foundation that was started by past and present members.

The motto of the Leading Knight's station is charity, and with that motto we should remember that charity begins at home, at our Lodge. Please make sure that your dues are paid in a timely manner. The reason we have our Lodge is through you, the members. We also must be mindful of the fundraisers that we hold, we need your support so that we achieve the goals we set, and hold those community events that we sponsor, and to recognize our veterans, community leaders, and those in need. We could not do these things without the charity of our members.

I hope that all of you have the chance to stop in the clubroom and take a moment to thank David Fett for his leadership in the past year. He served us well, as our Exalted Ruler. I hope that you will all extend to me that same help, which I will need to make this a good year.

Remember that our whole influence in life is determined by the good deeds we do rather than in the emotions we feel. The kindest feeling may vanish, the best resolve may be forgotten but the influence of a good deed, honestly and promptly performed will continue forever.

Fraternally yours.

Bill Dyda, Exalted Ruler

The History of Bunco.

Bunco dates back to the late 1800's and was played by groups of women, school children, and couples. The old fashioned game of the future is becoming ever more popular at parties, social events, and new groups are popping up across the country.

This progressive dice game, under its original name of 8-Dice Cloth was played in England during the 18th century. It was unknown in the United States until 1855, when it was introduced into San Francisco during the Gold Rush by a crooked gambler. This shady character, traveling from the East to West coast had made many stops in route to the California gold fields. He also made various changes to the gambling game he called Banco. After a few years the game, Banca, and its Mexican derivative, Monte, were also introduced to the population of San Francisco. Bunco Dice and Bunco Cards were combined to form a more efficient method of separating the hard working citizens from their money at numerous gambling locations. These locations were known as Bunco parlors. Hence, the word Bunco came to be a general term that applied to all scams, swindling and confidence games. After the civil war and into the turn of the century, Bunco flourished as the population grew and the economy recovered. Between 1870 & 1880 in virtually every large city on the country, Bunco-Banco games were in operation. Some Bunco locations were furnished elaborately while others resembled professional offices.

During the 1880's and into the mid 1890's, Bunco was played in Texas & Oklahoma, through Kansas & Missouri, in towns and cities along the Ohio and Mississippi rivers, and from New York to the Great Lake states. Through the Victorian era and prior to WWI, Bunco had achieved permanent placement as a traditional family or parlor game, promoting social interaction. During this period Bunco groups consisting of 8-12 people and as many as 20 people enjoyed an evening of food, drink, conversation, and friendly competition. During prohibition and the roaring 20's, the infamous Bunco gambling parlors resurfaced in various regions of the US the most notorious speak-easies and Bunco dice parlors were located in and around Chicago, Illinois. The term "Bunco Squad" referred to the detectives who raided these establishments!

After prohibition Bunco group activity declined in the major cities of the country, but spread to the suburbs as housing development and the migratory population expanded nationally. Not much was heard about Bunco activity from 1940-1980. (WWII, Korea, Vietnam.) Since the early 1980's Bunco group activity has increased due to a combination of circumstances; a return to traditional family values, a sense of neighborhood & community and, the desire & need for social interaction. Traditionally most Bunco groups consist of 12 players (usually groups of women & occasionally couples.) Kids are even beginning to play at parties & other social events. Playing Bunco is a great way to maintain relationships and make new friends. Bunco is a game of dice, luck, & prizes.

Under The Antlers

Members All,

Well, spring is here, and summer is around the corner. I don't know about you, but I have truly enjoyed the warmer weather. As a reminder, April 3rd is our annual Easter Egg Hunt. Hopefully, the weather will cooperate and we will be able to have the hunt outdoors this year.

First, I want to thank Dave Fett for his leadership and hard work over the last year as Exalted Ruler. He has truly set an example for all of us on how "Elks Care and Elks Share." THANK YOU, DAVE! I would also like to thank everyone that has worked so hard to make our Friday night dinners a success. We have exceeded our turn out expectations, and hopefully we continue to draw a good crowd.

Congratulations to all of the new Elk and Wapati officers and the trustees. Hopefully, this year too, will be a successful one.

Below is the Friday night dinner schedule for April and May. Join us to make these dates as successful as our Fish Fry nights.

Furthermore, if you have any ideas, concerns or suggestions for our lodge, please email me at scottanddenise0110@att.net.

Hole Sponsors Needed

We are in need of hole sponsors for our annual golf outing. The cost of sponsoring a hole is \$25, and many have already signed up but there are still lots of sponsorships left. If you don't golf, or can't make our outing, this is a great way to show support for the event. The golf outing is the largest fundraising activity that we do each year, and it provides some much needed funds for our Lodge. Please help us make it another success. There is a hole sponsor form in the newsletter, just fill it out and drop it off at the Lodge or send it to us by mail. Thank you for helping our Lodge prosper.

Fellow Lodge Members,

It is with great pleasure that I would like to offer the name of Maureen A. Hackney for your consideration for Honorary Life Membership in our Lodge.

Maureen has been a member of the Order since 2001. She has been our Lodge Secretary almost from the day she joined, and has been accorded the honor of Officer of the Year for the job she does in that capacity. Maureen has been, and remains a dedicated and motivated member of our order. She has served her Lodge, District, and State Association with distinction. She has been the Metro District Audit Chair for several years. There is almost no function that takes place at our Lodge and Club that Maureen is not involved in, chairing, or helping. She demonstrates her dedication to Elkdom and pride in her Lodge every day. I hope you will consider her favorably and elect her to honorary life membership in our Lodge.

Elks Grand Lodge Statue 14.270 states:

“Honorary Life Membership is to be conferred by the Lodge upon a member only when the member has rendered to the Lodge or Order services which are truth and in fact distinguished...”

With these guidelines, and based on her extensive service to our Lodge and our Order, I am genuinely compelled to nominate her for Honorary Life Membership.

Fraternally yours,

Thomas J. Dinkelmann
