## Exalted Rulers Message

**Barb Dinkelmann**  
Exalted Ruler

It is February and the Lodge year is creeping towards the end. As of April 1, 2006 we will have a new Exalted Ruler and new officers and Trustees. Looking back at this past year we at Royal Oak 1523 have witnessed some transformations both inside and outside. If you haven't been to the club in recent months (and, by the way, **WHY HAVEN'T YOU?**) the banquet halls have been completely redone with a wonderful new décor. The outside of the

building was completely stripped, repaired, sealed and painted all with volunteer help from members and employees graciously giving their time to help!

In order to accomplish these projects we used donations and some of our savings, but, there are other projects that still need to be addressed and that will take more funds. The officers of **YOUR** Lodge are trying to offer different occasions that will be a source of income to continue these projects. The projects will not be accomplished if the different parties, pig roasts, raffles and dinners are not going to be supported by the members and their families. We are all in the same crunch, higher gasoline and utility costs. The cost of doing business is greater than it was a year ago. Just as it cost you more to go the store that same cost increase is also passed along to the Elks. I implore you to participate in the events that are happening at the club. The only way we can keep improving and maintaining our facilities is through having functions to raise cash that is not targeted towards our daily expenses and overhead. If no one supports these events, then we go in the hole and lose money rather than raise money. It is that simple.

Nominations of Officers and Trustees will be this month, I know Leading Knight Mike Rearick has spoken to people about running for different offices, please consider helping the Royal Oak Elks 1523 continue to be a lodge that can proudly say we have a full compliment of officers. If you have any questions, any of the current officers would be happy to speak with you about the possibility of running for a position.

Webmaster Jess Hackney maintains our website and it is kept up to date with any happenings within the Lodge and Club. For those of you that have internet access please use this as a source to see what we are doing.

In April we will have the Officers Ball. All members are invited to attend this dinner dance. This evening is for the membership to thank all the men and women who have served their Lodge for the Lodge year 2005-2006. It is also a time when the ER gets to give out awards and thank all those whose help made the year a success. Watch for more information in next month's newsletter. Remember, it is open to all members and their families. Plan to attend and see what a good time you will have. Dining, dancing, and being with good friends all in one evening.

I plan to bring back the ER Thank You Dinner, but have not set a date yet. This is the evening where I thank all of you for your support this past year. It is an evening when we can all get together like family and the ER springs for the food!!!!!!!!!!!!!! What more could anyone ask for?

Fraternally,  
Barb Dinkelmann, ER

Estemed Leading Knight

Greetings to all. Well time has really been flying by. A lot has been happening around the lodge with the lodge year coming to an end soon. Parties have to be planned for end of year functions, Ritual competition being held February 9 & 10, and so on. We had some excitement with the planning of parties last month when discussion was held about possibly combining all the parties to one big party. That was the most unity I have seen around the club in a long time. Our club members and their spouses really do care about what goes on around here. We ended up having a "town hall" type meeting about this subject and I want to start off by thanking

everyone who made time to attend. The Officers and I were very pleased at the participation and out come of this informal meeting and I plan to do this type of format again in the future. We received a lot of input and ideas from this meeting, more response than any other that I have had all year. I feel the members and probably most of their spouses, really had a chance to voice their opinion and concerns about lodge activities. Hopefully it will help to increase participation at lodge functions. In the future, I hope to be able to plan another meeting like this, with more notice to all members of the lodge and hope everyone will attend. Enough about that, but in closing, I would like to again thank everyone who attended, I think it was a win/win situation for our lodge and hopefully brought all of us closer together.

Upcoming events include the "Ritual contest" on the weekend of the 9<sup>th</sup> and 10<sup>th</sup> of February, good luck to all the Officers. We have Valentine's Day February 14<sup>th</sup>, don't forget your sweethearts. We need to start thinking about becoming more active in your lodge with nominations of new officers to fill the empty positions. This can be your way to get more active around the club and help us continue to push the lodge in a POSITIVE DIRECTION. Anyone interested or knows someone interested in helping please let me, or any other officer know. With out each and everyone's dedication to our lodge we can not succeed. WE NEED YOUR HELP!!

In March, we have the "Club 100" end of year party. I am extending an invitation to every member to attend this party and see how much this club helps our lodge. There are always openings we need to fill to get this very important function up to 100%. This is a vital fundraiser for our existence and an important source of income for our lodge. If you are not sure how it works or if you are interested, just ask any member to explain it to you. Everyone should come and support the party on March 4<sup>th</sup> and see how much fun we can have when we work together. This is definitely one party no one should miss, if for nothing else the "Band" we booked is out of this world. Hope to see you all there.

On April 29<sup>th</sup>, we will be combining the "Officer Ball" and the Elk's and Wapiti "Anniversary Ball". A lot of our "snowbird" and out of town members are planning to return for this party. It will give you all a chance to see some of the members you have not seen in a long time. We have a lot of events and presentations planned for this party. I strongly encourage ALL members to attend.

In closing, I would like to remind everyone to get involved; only you can make this a better place. I would like to thank everyone who does give that little extra to help out. Remember "Elk's Care/Elk's Share", get involved and support your lodge.

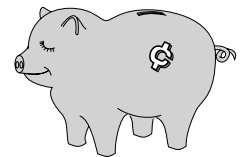

Fraternally Yours,  
Mike Rearick, Est. Leading Knight

## Hear & Share

It's only the 10<sup>th</sup> of January and I'm already tired of winter. It's cold enough outside to make a brass-monkey sing soprano, the days are too short, and I miss golf. I think when I grow up I'm going to

move down south for the winter.

Speaking of moving, have you seen the newly redeco-rated men's room at the club? Trust me, it's a moving experience. Kitty decided it should be repainted and enlisted Moe Pilkington and Stevie Wonder to pick out the paint and add the artistic touch. It has been such a hit with all the women in the club, that the men have to make an appointment to use it because of all the women in there marveling at the decor. And, I don't know about the rest of the men, but when I go in there now, I feel a strong compulsion to take a purse with me.

Mike Pilkington has joined the ranks of retirees. His official retirement date was January 6, but I've been told his last day of work was in July of 1984.

Roni Harvey and Rick Calverley both celebrated milestone birthdays recently. Rick is no longer forty something and Roni is no longer thirty something. And they both were treated to surprise birthday parties at the club that would sorely test the liver of the toughest wino in the world. Which reminds me of a couple of questions I've always wondered about: Why do drunks always repeat themselves, and why do they keep saying the same thing over and over?

Oh, that reminds me. One afternoon at the club, the name Soupy Sales somehow came up in the conversation. Jimmaaay Powell and Cal Wilkinson treated the patrons to their versions of the dance they called the "Soupy Sales Shuffle." It turned into a contest with judges and all. On a

scale of one to ten, Jimmaaay scored a high of six, while Cal could score no higher than five. Then, Bob Garner took center stage and stole the show with a performance that was conservatively scored by Judge Gary Paulson at 8.5 ..... on the Richter scale.

There was a meeting at the lodge to discuss combining the Club 100 dinner and the Installation of Officers dinner with a Lodge Anniversary Dinner this spring. Although I was in the club at the time, I didn't attend the meeting. (I don't go to meetings unless it's absolutely necessary.) My observation was the meeting took longer than the dinners will. (Which is why I don't go to meetings.) But it did bring to mind something I've been meaning to mention.

I've never known of anyone being named Elk of the Year or Sweetheart of Elkdom more than once. This doesn't seem right to me. If a person continues to put in time and effort at the Lodge, that person should not be denied the honor, simply because it would be a repeat. Furthermore, if the most deserving person is an officer or a Trustee, that should not be grounds for disqualification. I also believe that if there is no one truly deserving, the award should not be given at all. I understand this would be politically unpopular, but it would preserve the prestige that has been and always should be associated with these awards.

Now as I dismount from my soapbox, I'd like to share with you something overheard in the clubroom. There was a discussion about the explosive growth of Soccer in the country. Most of us have never played organized soccer in our lives, but now it seems like everybody and his dog have kids or grandkids playing soccer. Why? Laura Flanigan happened to be there and if any one knows about soccer it would be Laura. The question was put to her and she answered succinctly and logically. "Why do so many kids play soccer?" they asked. "So they don't have to watch it," she answered.

Best regards,

Frank Donnelly
